3.22	In the case of the introduction of the company's incentive scheme based on shares or similar instruments - information about the projected costs to be incurred by the Company in connection with its introduction.	YES	If applicable
	The information contained on the website should be provided to allow easy access to the information. The issuer should update the information contained in the website. In the case of the emergence of new, relevant information or a material change in the information contained in the website, the update should be carried out immediately.	YES	
4.	The Company maintains a corporate website, at the option of the issuer, in Polish or English. Current and periodic reports should be published on the website at least in the same language in which the publication thereof in accordance with the provisions applicable to the issuer.	YES	
5.	The company should pursue a policy of information with particular emphasis on the needs of individual investors. To this end, the company, in addition to his corporate party should use the individual for the investor relations section of the company located at www.GPWInfoStrefa.pl	NO	The Company does not currently uses individual investor relations section located on the www.GPWInfoStrefa.pl, however, provide sufficient access to information by conducting section "Investor Relations" on page www.cereal.com.ua
	The Issuer shall maintain ongoing contacts with representatives of the Authorised Adviser, to enable him to properly perform their duties to the issuer. The company should appoint a person responsible for contacts with the Authorised Adviser.	YES	
7.	When an event occurs in the company, which in the opinion of the issuer is essential to the exercise of the Authorised Adviser of its obligations, the issuer shall immediately notify the Authorised Adviser.	YES	

8. 9.	The Issuer shall ensure that Authorised Adviser access to all documents and information necessary to perform the duties of an Authorised Adviser.  The Issuer shall submit the annual report:	YES	
9.1	Information on the total amount of remuneration of all members of the management and supervisory boards.	NO	Information about the total amount of remuneration of all members of the Board of Directors Issuer will not apply this rule. In the opinion of the Issuer, total amount of remuneration for all members of the Board of Directors is not relevant information for investors and does not affect their investment decisions.
9.2	Information about the remuneration of the Authorised Adviser received from the issuer in respect of the provision of services to the issuer in every respect.	NO	Authorized Adviser remuneration is confidential information contained in the contract. The Issuer does not publish such information without the consent of the Authorized Adviser.
10.	Members of the board and the supervisory board should attend the general meeting in the composition can answer the questions asked during the meeting.	YES	
11.	At least 2 times a year, the issuer, with the cooperation of the Authorized Adviser shall organize publicly accessible meeting with investors, analysts and the media.	NO	Due to the fact that those meeting are not popular among shareholders, and costs of preparation are relatively high, the Issuer does not intend to apply this practices.
12.	The resolution of the general meeting on the issue of rights shares should specify the issue price or the mechanism of setting or compel an authority empowered to determine it before pre-emptive rights, in time for the investment decision.	YES	
	The resolution of the general meeting should provide a sufficient period of time between decisions causing specific corporate events and dates, which establish the rights of shareholders resulting from such events.	YES	
14.	Day of setting the right to dividend and the dividend payment date should be set so that the time between them as short as possible and in any event no longer than 15 working days. A longer period between these dates requires detailed justification.	YES	

15.	The resolution of the general meeting of the conditional dividend may only contain such conditions whose potential fulfillment must take place before the right to the dividend.	YES	
16.	The issuer publishes monthly reports within 14 days of the end of the month. Monthly report should include at least:  • information on the occurrence of trends and events in the market environment of the issuer, which in the opinion of the issuer may have significant implications for the future financial condition and financial results of the issuer,  • a summary of all information published by the issuer in the current report for the period covered by the report,  • information on the objectives of the issue, if such implementation, even in part, took place during the period covered by the report,  • investor calendar, including the events that take place in the coming month, which relate to the issuer and are important from the point of view of the interests of investors, in particular the date of publication of periodic reports, planned meetings, the opening of the subscription, meetings with investors and analysts, and the expected date of publication of the report analytical.	NO	At the moment, this principle is not applied by the Issuer. The Issuer believes that the proper performance of information obligations (publication of information on the websites of the Company and NewConnect) is sufficient and is not necessary to provide monthly reports.
17.	Published by Issuers semi-annual reports should include at least:  • the balance,  • the profit and loss account,  • comparative figures for the first half of the previous year,  • comment on the Board of factors and events that had an impact on the financial results,  • Information on the issuer's activity in the area of research and development, including the obtaining of licenses and patents.	YES
